

# Cenex® Product Quick Reference

Lubricant Products	Features & Benefits
<b>Maxtron® Enviro-EDGE®</b> Full-Synthetic Diesel Engine Oil 5W-40	<ul style="list-style-type: none"> <li>• Excellent Shear Stability and Viscosity Retention</li> <li>• Superior Deposit and Wear Control</li> <li>• Longer Engine and Oil Life</li> </ul>
<b>Maxtron DEO</b> Synthetic Blend Diesel Engine Oil 15W-40, 10W-30	<ul style="list-style-type: none"> <li>• Exceptional Deposit and Consumption Control</li> <li>• Advanced Antioxidant Technology</li> <li>• Reserve Protection</li> </ul>
<b>Superlube TMS®</b> Heavy Duty Diesel Engine Oil 15W-40, 10W-30	<ul style="list-style-type: none"> <li>• Emission and Catalyst Protection</li> <li>• Oil Durability</li> <li>• Soot Control</li> </ul>
<b>Maxtron THF+</b> Full-Synthetic Tractor Hydraulic Fluid	<ul style="list-style-type: none"> <li>• Superb High and Low Temperature Performance</li> <li>• Excellent Viscosity Stability</li> <li>• System Cleanliness</li> </ul>
<b>Qwiklift® HTB®</b> Universal Transmission Hydraulic Fluid	<ul style="list-style-type: none"> <li>• Wear Protection</li> <li>• Friction Control</li> <li>• Oxidation Control</li> </ul>
<b>Maxtron</b> Full-Synthetic Gasoline Engine Oil 0W-20, 5W-20, 5W-30, 10W-30	<ul style="list-style-type: none"> <li>• Extended Drain Intervals</li> <li>• Reserve Performance</li> <li>• Exceeds Current ILSAC and GM dexos1™ Requirements</li> </ul>
<b>Auto Gold®</b> Synthetic Blend Gasoline Engine Oil 5W-20, 5W-30, 10W-30	<ul style="list-style-type: none"> <li>• Flex-Fuel Vehicle Compatible</li> <li>• Oil Pumpability</li> <li>• Contains ZDDP to Protect Highly Loaded Engine Parts</li> </ul>
<b>Maxtron Multi-Vehicle ATF LOW VIS</b> Full-Synthetic Automatic Transmission Fluid	<ul style="list-style-type: none"> <li>• Multi-Vehicle Capability</li> <li>• High Temperature Protection</li> <li>• Superior Cold Temperature Flow</li> </ul>
<b>Auto Gold ATF DM</b> Automatic Transmission Fluid	<ul style="list-style-type: none"> <li>• Outstanding Frictional Properties</li> <li>• Cold Temperature Operability</li> <li>• Transmission Cleanliness</li> </ul>
<b>Indol®</b> Premium Hydraulic Oil	<ul style="list-style-type: none"> <li>• Zinc Anti-Wear</li> <li>• Exceptional Oxidation Control</li> <li>• Reserve Quality</li> </ul>
<b>MP Gear Lube</b> Multi-purpose Gear Oil	<ul style="list-style-type: none"> <li>• Superior Extreme Pressure Properties</li> <li>• Foam Control</li> <li>• Protects Against Contamination</li> </ul>

Grease Products	Features & Benefits
<b>Maxtron FS</b> Full-Synthetic Multi-purpose Lithium Complex Grease	<ul style="list-style-type: none"> <li>• Color: Amber</li> <li>• Full-Synthetic Performance</li> <li>• Outstanding Extreme Weather Performance</li> </ul>
<b>Maxtron EP</b> Synthetic Blend Lithium Complex Grease	<ul style="list-style-type: none"> <li>• Color: Gray</li> <li>• Extreme Pressure Performance</li> <li>• Contains 3% Molybdenum Disulfide</li> </ul>
<b>Blue Gard® 500+™</b> High Temperature Multi-purpose Lithium Complex Grease	<ul style="list-style-type: none"> <li>• Color: Blue</li> <li>• Excellent Anti-Wear to Extend Life</li> <li>• Rust and Corrosion Protection</li> </ul>
<b>Red Protect XT®</b> Extra Tacky Lithium Complex Grease	<ul style="list-style-type: none"> <li>• Color: Red</li> <li>• Seals Out Contamination</li> <li>• Outstanding Adhesive and Tackiness Properties</li> </ul>
<b>ML 365®</b> Multi-purpose Lithium All Season Grease	<ul style="list-style-type: none"> <li>• Color: Green</li> <li>• Cold Temperature Performance</li> <li>• Reduced Oil Separation</li> </ul>
<b>Poly-Xtreme®</b> High Temperature Polyurea Grease	<ul style="list-style-type: none"> <li>• Color: Blue-Green</li> <li>• Resists Water Washout</li> <li>• Unique Flexibility to Protect Equipment</li> </ul>
